Contents		
<p>This module provides students with an awareness of musical thought, behavior, and practice in historical and/or contemporary sociocultural contexts. In addition to musical characteristics and performance practices, the module explores the relationships between music and belief systems, identity, sociopolitical movements, and/or other sociocultural issues. The module provides transnational perspectives as well as deeper knowledge into the music cultures of particular regions and/or social groups. Course topics and areas covered may vary from semester to semester.</p>		
Intended learning outcomes		
<p>On successful completion of this module, students should be able to demonstrate an expanded knowledge of a particular musical idiom, demonstrate an expanded awareness of relevant musical-social issues, think reflectively about diverse musical expressions in historical and contemporary sociocultural contexts, and effectively communicate their own research and/or ideas on ethnomusicological topics in written and/or verbal form.</p>
