Contents		
In this module, students are expected to prepare for their Bachelor's thesis. Objective is a solid development of a literary or cultural science-based issue, taking into account the current state of research. The Bachelor's thesis proves that students are able to develop hypotheses and to verify them on the basis of textual or visual objects, based on a specialist issue.		
Intended learning outcomes		
Students learn to understand and present the state of research concerning an issue as well as to develop and argumentatively present an own issue on this basis. They train their skills of researching research ideas, present them in writing and critically refer to them.
