<b>Contents</b>		
The basic module provides students with basics of literature science-based theory and methodology as well as with basics skills in literary history of the British Isles. Moreover, students will gain insights into the new anglo-phone literatures. In order to apply these skills, students will practise the analysis and interpretation of selected texts of all literary genres from the early modern era up to the present.		
<b>Intended learning outcomes</b>		
Students will demonstrate their ability to apply literary theories and methods to the text analysis. They have basic knowledge of historical and intellectual-historical backgrounds and developments.
