Research Seminar 1 British Studies (Literary and Cultural Studies)

Abbreviation
04-EnMA-BLC-FM1-122-m01

Module coordinator
Managing Director English and American Studies

Module offered by
Institute of Modern Philologies

ECTS
10

Method of grading
numerical grade

Duration
1 semester

Module level
graduate

Other prerequisites
Admission prerequisite to assessment: regular attendance (a maximum of 2 incidents of unexcused absence) of courses (lectures excluded).

Contents
The module provides students with the possibility to pursue a research project of a literary and/or cultural science-based issue of the English Studies on an academically high level individually and in a group, to apply their acquired technical knowledge and to present the results in a project work.

Intended learning outcomes
After successful completion of the module, students are able to: understand a research field of the English Studies and to evaluate its complex historical as well as theoretical contents, work on concepts, methods and research subjects of this research field independently as well as to broaden the issue by a practical application, provide others with the own research project on the basis of the current state of research and to discuss the problems, solutions and incidents on an academic level.

Courses
(No information on SWS (weekly contact hours) and course language available)

Method of assessment
Type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus

a) project presentation (approx. 60 minutes) with position paper (approx. 8 pages) or b) project with final presentation (approx. 60 minutes) or c) term paper (approx. 20 pages)
