## Contents

The module provides students with the possibility to outline in written form and to discuss academic ideas and concepts as well as information and methods on a research level argumentatively. Thus, standards of academic writing in the subject areas English Studies, American Studies and Linguistics will be consolidated and practiced.

### Intended learning outcomes

After successful completion of the module, students will be able to:
- identify, consolidate and implement particularities and characteristics regarding academic forms of publication,
- create written papers (e.g. essays, articles, reviews) according to the academic standard of the fields English Studies, American Studies and Linguistics.
