<b>Contents</b>		
<p>The course for a teaching position at a secondary school, which accompanies the work placement, will systematise as well as consolidate experiences that are acquired during the work placement in a school and will complete the experiences by technical aspects. Thus, selected areas concerning the practice in the English lessons, which orientate towards the content requirements of valid guidelines and curricula, will be covered. The focus will lie on current developments concerning the teaching practice. In this context, connecting factors regarding school education and learning psychology are the result; they support the successful implementation of educational concepts in the daily teaching life.</p>		
<b>Intended learning outcomes</b>		
<p>Students are expected to</p> <ul style="list-style-type: none"> <li>- be familiar with the most important components of lesson planning and teaching structure</li> <li>- be able to practically implement the contents for different grades, which are described in the curriculum exemplarily</li> <li>- critically reflect the latest developments in the educational system</li> <li>- learn to involve important findings from school education and learning psychology and to connect the findings with subject-specific knowledge as well as to involve the presentation of the lesson.</li> </ul>
