Other prerequisites
By way of exception, additional prerequisites are listed in the section on assessments.

Contents
The module provides students with the main issues of the French language in the field of phonetics, grammar and syntax; existing skills will be consolidated and expanded. Object of the module will be the French present-day language (standard language).

Intended learning outcomes
Students consolidate the skills of the French language that have been acquired during the basic module 1. They acquire the required reading ability and speaking skills for their studies. The students are able to express themselves on a solid intermediate level (B2) orally, to read literary texts, to analyse linguistic phenomena and to identify and apply grammar structures.
