<b>Duration</b>	<b>Module level</b>	<b>Other prerequisites</b>
1 semester	undergraduate	By way of exception, additional prerequisites are listed in the section on assessments.
<b>Contents</b>		
The module gives an overview and provides students with basic knowledge from different historical sub-subjects by specific examples. In incidental courses, key problems of German and European history as well as their most important sources will be covered and completed by the analysis of literary texts or films of German authors.		
<b>Intended learning outcomes</b>		
Students will get an overview of important developments in German and European history and thus, consolidate their basic knowledge of one or more temporal or topical areas considering different aspects like politics, economics, society, culture (including literature and movie), ideas and mentalities. Students will be able to classify this/these area/areas in a comprehensive historical context and to show interdependencies.
