1 semester	graduate	--
<b>Contents</b>		
<p>The course aims to provide students with the advanced and academic dealing with literature on the basis of classical texts of modern German history of literature. Moreover, the seminar provides students with basic principles of research methods and the research process and promotes the independent dealing with academic questions in oral or written form.</p>		
<b>Intended learning outcomes</b>		
<p>Students dispose over advanced knowledge of exceptional works of German Literary History as well as over the corresponding humanistic and cultural contexts. Additionally, they are able to cover complex texts and phenomena methodologically and appropriately. Furthermore, students are acquainted with basic techniques of academic work and the oral as well as written presentation of working result.</p>
