Contents		
Independently, students will organise a vocational-orientated work experience in an institution with the same cultural orientation and/or foreign language teaching institution or with a range of tasks, which corresponds to the competences of an advanced German philologist, with the focus on German studies as German philology (e.g. (course book) publisher, library, language school, translation agency, museum, theatre, culture and/or education administration and others).		
Intended learning outcomes		
Students are acquainted with the requirements of a cultural-academic and/or foreign language educational vocational field or field of activity. They dispose over practical experiences in everyday working life and are able to compare these experiences with the own ones in a reflective way.
