Contents		
This module equips students with fundamental knowledge from the sub-disciplines of history. It provides an overview and discusses selected examples. The courses explore key problems in and sources of German and European history.		
Intended learning outcomes		
Students gain an overview of major developments in German and European history and consolidate their knowledge of one or more themes or periods, taking a range of aspects into account (e. g. politics, the economy, society, culture, ideas, or mentalities). They are able to consider this/these theme(s) or period(s) in a general historical context and to identify interdependencies.
