Contents		
This module aims to expand and consolidate the knowledge and skills students acquired in the Level Two Module History Didactics (Aufbaumodul Didaktik der Geschichte). A particular focus is on methods for the history classroom and ways to put theoretical considerations into classroom practice. The module also teaches students how to engage in scholarly activity in the discipline of history didactics.		
Intended learning outcomes		
Students gain an in-depth overview of major sub-areas of history didactics and methods in history. They develop a thorough familiarity with the standard references on history didactics and the ability to independently familiarise themselves with a topic in history didactics, using specialised literature. They are able to independently investigate and write on topics in history didactics. They are able to transfer their theoretical knowledge into (classroom) practice.
