<p>This module equips students with fundamental knowledge about ancient history. It provides an overview of ancient history and discusses selected examples. The course explores key problems in and sources of ancient history.</p>		
Intended learning outcomes		
<p>Students gain an overview of major developments in ancient history and consolidate their knowledge of one or more themes or periods, taking a range of aspects into account (e. g. politics, the economy, society, culture, ideas, or mentalities). They are able to consider this/these theme(s) or period(s) in a general historical context and to identify interdependencies. Students are able to take aspects of the history of Europe and beyond into account. They are able to select and employ appropriate tools and methods. Students are able to critically analyse and interpret sources and academic literature as well as to present their findings in an appropriate manner.</p>
