| This module discusses advanced topics in the sub-disciplines of history, taking the available source material as well as the current state of research into account. It places facts and details in a pan-European historical context. Problems in cultural, social, structural, and economic history, the history of society, and the history of mentalities as well as interdisciplinary problems are also considered. | | |
| Intended learning outcomes | | |
| This module focuses on equipping students with specialist historical knowledge as well as expanding and consolidating this knowledge. Students gain an insight into advanced topics in the sub-disciplines of history, into the broad and diverse range of careers in history, and into the diverse range of methods used by historians. | | |
