Contents		
This module discusses advanced topics in the sub-disciplines of history, taking the available source material as well as the current state of research into account. It places facts and details in a pan-European historical context. Problems in cultural, social, structural, and economic history, the history of society, and the history of mentalities as well as interdisciplinary problems are also considered.		
Intended learning outcomes		
This module focuses on equipping students with specialist historical knowledge as well as expanding and consolidating this knowledge. Students gain an insight into advanced topics in the sub-disciplines of history, into the broad and diverse range of careers in history, and into the diverse range of methods used by historians.
