<b>Contents</b>		
Field trip to chosen European spaces or spaces outside of Europe with focus on human geographical issues. Based on subspaces, distinctive or divergent developments will be presented and explored mutually.		
<b>Intended learning outcomes</b>		
Students use theoretically acquired human geographical findings practically. It is necessary to characterise and define spaces. Observations, polls or mapping will be implemented and evaluated in a group. Relevant topic fields will be developed at site as well as a consolidated practice-related problem awareness.
