Contents		
<p>The work placement has to be completed in a module-relevant office or company, which fits the professional career the student is looking for or must be completed by field work for four weeks outside of Europe. The work placement should comprise tasks that provides the intern with a comprehensive and adequate insight into the vocational world.</p>		
Intended learning outcomes		
<p>Students receive first insights into job opportunities of geographers at an employer during a four-week work placement. Thus, students will have the opportunity to establish contacts and to get in touch with different vocational practices.</p>		
Courses (type, number of weekly contact hours, language – if other than German)		
P (o) Module taught in: German and/or English		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
<p>placement report / fieldwork report / report on practical training / report on practical course / project report / report on technical course (5 to 10 pages) Language of assessment: German and/or English</p>		
Allocation of places		
--
