### Contents

Introduction to the philosophies of life, the customs as well as thought and action patterns in Indian culture. Reflection on the mindsets and thought patterns in the students’ own (German) culture. Differences in communication styles between India and Germany. Causes of conflict in intercultural encounters.

### Intended learning outcomes

Students have developed an awareness of how their cultural background influences the way they act, and they are familiar with social structures in India. The development of this awareness and familiarity is necessary for students to acquire intercultural competence.
