Contents					

We will read and translate simple Sanskrit texts (e. g. epics, narrative texts) but will not identify the grammatical forms of individual words. The main aim of the course is to read larger amounts of text, not to analyse texts in detail.

Intended learning outcomes

Reading larger amounts of text, students will become more experienced with reading Sanskrit and will expand their vocabulary and grammar skills. They will be able to extract meaning from longer text passages within a reasonable period of time.
