Contents
This course will cover the fundamental principles of the social anthropology of India, discussing the categories person, family, gender and society (caste). It will equip students with the methods and theoretical background that will allow them to identify and deal with cultural differences.

Intended learning outcomes
Students are familiar with the methods and theories of the social anthropology of India. They are able to gain a differentiated understanding of foreign cultures.

Courses
(type, number of weekly contact hours, language — if other than German)
V + S (no information on SWS (weekly contact hours) and course language available)

Method of assessment
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

written examination (approx. 90 minutes) and presentation (approx. 30 minutes), weighted 3:2
Language of assessment: German, English

Allocation of places
--

Additional information
