1 semester	undergraduate	--
Contents		
Students will be prepared for the state examination by repeating and consolidating study contents that are relevant for the examination. Students expand their knowledge by dealing with central issues concerning the teaching and learning of the Italian language and by preparing for the state examination with the help of the examination questions of the past years.		
Intended learning outcomes		
When the module has been successfully completed, students will have gained the required security for the state examination concerning the teaching methodology.		
Courses (type, number of weekly contact hours, language – if other than German)		
Ü (2)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
written examination (approx. 90 minutes)
