### Module offered by
Institute of Modern Philologies

### ECTS
10

### Method of grading
numerical grade

### Duration
1 semester

### Module level
undergraduate

### Other prerequisites
By way of exception, additional prerequisites are listed in the section on assessments.

### Contents
The module provides students with the main issues of the Italian language in the area phonetics, grammar and syntax; existing skills will be consolidated and expanded. Object of the module will be the Italian present-day language (standard language).

### Intended learning outcomes
Students consolidate the skills of the Italian language that have been acquired during the basic module 1. They acquire the required reading ability and speaking skills for their studies. The students are able to express themselves on an intermediate level (B2) orally, to read literary texts, to analyse linguistic phenomena and to identify and apply grammar structures.
