**Contents**

Advanced and research-orientated dealing with a challenging sub-area of linguistics.

**Intended learning outcomes**

Students acquire detailed knowledge of a selected sub-area of linguistics. They are also able to select, to classify academically and historically and to critically reflect academic literature regarding Italian linguistics independently. Students are able to work on a complex issue, to present it and produce a comprehensive academic paper in the Italian language.

**Courses** (type, number of weekly contact hours, language — if other than German)

S + Ü (no information on SWS (weekly contact hours) and course language available)

**Method of assessment** (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

presentation (approx. 30 minutes) with position paper (approx. 2 pages) with written elaboration (approx. 18 pages), the 2 components being weighted 3:7
Assessment offered: once a year
Language of assessment: Italian
