

Module title		Abbreviation
Practical Course in Archaeology - Specialisation		04-KA-APraS-161-m01
Module coordinator		Module offered by
holder of the Chair of Classical Archaeology		Chair of Classical Archaeology
ECTS	Method of grading	Only after succ. compl. of module(s)
10	(not) successfully completed	--
Duration	Module level	Other prerequisites
	graduate	--
Contents		
The module is designed to impart advanced practical skills and techniques of archaeological field research or museum work (e.g. participation during a special exhibition).		
Intended learning outcomes		
During archaeological digs and prospections, students are able to carry out qualified works independently. Additionally, they are also able to focus on fundamental statements of theoretical expertise of the job in a museum and to impart and present these statements in a way that they are understandable for a wide range of people and thus, to explain the way of knowledge.		
Courses (type, number of weekly contact hours, language – if other than German)		
P (2) Module taught in: German and/or English		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
a) preparing an exhibition (approx. 150 hours) or b) activities report (2 to 3 pages) Language of assessment: German and/or English		
Allocation of places
