Contents		
Consolidation of knowledge concerning the museum education, types of sources and epochs by means of regional field monuments, collections and exhibitions. Students will be instructed for evaluating current archaeological concepts of museums and to compare them critically as well as they learn about selected archaeological regions that are located in the closer surrounding.		
Intended learning outcomes		
Students are able to understand and critically evaluate museum educational concepts. Moreover, they test theoretical knowledge during an autopsy of original objects and summarise the obtained knowledge in a written summary.
