Contents

In accordance with academic methods, a certain problem of Latin Philology will be analysed over a period of six months. The Master's thesis will comprise 50 to 70 pages. A final oral examination will not take place. In the case of a Master with two main disciplines, an issue that covers a problem, which affects both main disciplines interdisciplinarily, can be given. The topic is to be agreed upon with an authorised examiner or, in the case of an interdisciplinary thesis, 2 authorised examiners. Students receive 30 ECTS credit points for their Master's thesis.

Intended learning outcomes

Students are able to work on a specific issue of Latin Philosophy with the help of academic methods and they are able to present their results in writing appropriately.
