### Duration
1 semester

### Module level
graduate

### Other prerequisites
--

### Contents
Phenomena of language change at all linguistic levels of description as well as in the past and the present and the linguistic modelling of these.

### Intended learning outcomes
The students will be able to identify phenomena of language change in concrete linguistic data and to analyse these in the context of contemporary linguistic theories as well as social and cultural processes.

### Courses
(type, number of weekly contact hours, language — if other than German)

S (2)
Module taught in: German and/or English

Course type: might also be offered in V or Ü format (depending on courses offered / number of participants)

### Method of assessment
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

a) term paper (15 pages) or b) written examination (approx. 90 minutes) or c) presentation (15 to 30 minutes) and written elaboration (approx. 15 pages)

Language of assessment: German and/or English
