Independent participation in the range of tasks of selected music-cultural educational institutions during the semester in order to strengthen the reference to the vocational field in the course of study; intensive encounter with organisational forms of musical life, critical assessment of control mechanisms of musical education.		
Intended learning outcomes		
During the semester, the student works independently on the range of tasks of selected music-cultural educational institutions. In order to strengthen the reference to the vocational field in the course of study, the student examines individual vocational perspectives of cultural education through an intensive encounter with organisational forms of musical life and critically assesses control mechanisms of musical education.
