<b>Contents</b>		
<p>In this module, possible professional fields of activity for musicologists are studied. The focus is on networking with cultural and academic institutions as well as on the exchange with representatives of other professionally relevant subjects. Based on ongoing research at the Institute for Music Research or specific cultural events, the student is introduced to the practice of specific academic working methods. By helping to shape cultural and music mediating projects, basic skills in project planning, implementation and evaluation are practised. There is the possibility to involve externally completed work placements.</p>		
<b>Intended learning outcomes</b>		
<p>The student has gained an insight into possible vocational fields of activity of musicologists as an example. He/she is familiar with the target group-oriented transfer of his/her musicological knowledge in an appropriate form. He/she is able to participate in the planning, realisation and evaluation of music-related projects.</p>
