Contents		
The module focuses on the consideration of music on the interfaces with Cultural Studies, historical and philosophical Anthropology. As an example, a topic or object is chosen that makes the connection between cultural phenomena or developments and the production or reception of music appear significant.		
Intended learning outcomes		
The student is able to assess the connection between cultural phenomena in the broader sense and the production and reception of music in the narrower sense in a differentiated way and to describe it adequately on the basis of selected examples.
