| This module provides an introduction to the databases offered via the University Library's servers, provides students with the basics of bibliography, types of academically correct citation and relevant basic information on copyright. Exemplary exercises will be given in finding, ordering and processing academic material, as well as the ways of correctly incorporating this into a text. |                          |   |
| <b>Intended learning outcomes</b>  |                          |   |
| The student is able to independently find, order and process academic material and literature with the help of the available analogue and digital possibilities. He/she is able to deal with the varieties of academically correct citation. The student is able to independently prepare a bibliography on a given topic.   |                          |   |
| <b>Courses</b> (type, number of weekly contact hours, language — if other than German)   |                          |   |
| Ü (no information on SWS (weekly contact hours) and course language available)   |                          |   |
| <b>Method of assessment</b> (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)   |                          |   |
| assignments to be completed at home: 3 to 4 written assignments (approx. 1 page each) and/or oral assignments (approx. 5 minutes each); time to complete: approx. 12 hours   |                          |   |
