**Contents**

Introduction to general and technical as well as scientific standards and methods of processing, presenting and a written description of a topic.

**Intended learning outcomes**

Students are acquainted with scientific standards and methods and are able to apply these to their own works. They are able to evaluate which type of presentation, techniques and media are suitable for certain situational contexts as well as for the institutional framework.

**Courses** (type, number of weekly contact hours, language — if other than German)

Ü + T (no information on SWS (weekly contact hours) and course language available)

**Method of assessment** (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

exercise (take-home exam, time to complete: approx. 3 hours)

**Allocation of places**

--

**Additional information**

--

**Referred to in LPO I** (examination regulations for teaching-degree programmes)

--

**Module appears in**

Bachelor’s degree (1 major, 1 minor) Museology and material culture (2013)
