### Module title
Research and Documentation

### Abbreviation
04-Mus-For-102-m01

### Module coordinator
holder of the Professorship of Museum Studies

### Module offered by
Professorship of Museum Studies

### ECTS
5

### Method of grading
numerical grade

### Only after succ. compl. of module(s)

### Duration
1 semester

### Module level
undergraduate

### Other prerequisites
Admission prerequisite to assessment: regular attendance and successful completion of exercises as specified at the beginning of the course.

### Contents
The module provides a basic dealing with further central tasks of the museum: the examination and documentation of museum objects. Students will acquire knowledge of the most important materials and forms that are frequent in the daily life of a museum. In addition, the module is designed to teach techniques, principles and practices of object documentation and inventory.

### Intended learning outcomes
Students are able to determine materials and types and to use the correct term, which is the basis of each scientific activity with objects of a museum. Students are familiar with all work steps of documentation and inventory as well as with the different ways and possibilities of further research concerning museum objects.

### Courses
V + Ü (no information on SWS (weekly contact hours) and course language available)

### Method of assessment
a) presentation (approx. 30 minutes) with position paper (2 pages) and b) written elaboration (approx. 10 pages, to be handed in during semester break), weighted 1:1

Assessment offered: once a year, summer semester
