

Module title		Abbreviation
Research and Documentation		04-Mus-For-131-m01
Module coordinator		Module offered by
holder of the Professorship of Museum Studies		Professorship of Museum Studies
ECTS	Method of grading	Only after succ. compl. of module(s)
5	numerical grade	--
Duration	Module level	Other prerequisites
1 semester	undergraduate	Admission prerequisite to assessment: regular attendance (a maximum of 2 incidents of unexcused absence) of courses (lectures excluded).
Contents		
<p>The module provides a basic dealing with further central tasks of the museum: the examination and documentation of museum objects. Students will acquire knowledge of the most important materials and forms that are frequent in the daily life of a museum. In addition, the module is designed to teach techniques, principles and practices of object documentation and inventory.</p>		
Intended learning outcomes		
<p>Students are able to determine materials and types and to use the correct term, which is the basis of each scientific activity with objects of a museum. Students are familiar with all work steps of documentation and inventory as well as with the different ways and possibilities of further research concerning museum objects.</p>		
Courses (type, number of weekly contact hours, language – if other than German)		
V + Ü (no information on SWS (weekly contact hours) and course language available)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
object documentation (object description with bibliography (approx. 5 to 10 pages), photo documentation, entering data into inventory software)		
Allocation of places
