## Contents
Within this module, students will participate 5 days in museum-relevant advanced trainings, courses, conferences or seminars from external providers (e.g. the Virtual University of Bavaria or the Bavarian Museum Academy). Thus, they independently expand and reflect their expertise according to their own prioritisation. Moreover, students acquire relevant experiences for their studies and have the possibility to establish a network of professional contacts.

## Intended learning outcomes
Students acquire detailed theoretical as well as application-orientated insights into selected current, museum-relevant issues and problems.
