Contents		
The module provides students with basics of the marketing and cultural management as well as press and public relations. Furthermore, students will apply the study matter, which they have already acquired, to an application-orientated example.		
Intended learning outcomes		
Students are able to apply different marketing and management methods reflectively. They are able to classify them on a practical profession and result-orientated in view of organisational, conceptional as well as contentual requirements and to evaluate the particular effort. Furthermore, they acquire practical work skills.
