practical project (approx. 50 hours total; conceptual design, designing and implementing of an exhibition, an event in the field of museum education, etc. as teamwork) Language of assessment: German and/or English creditable for bonus		
Allocation of places		
--		
Additional information		
Service Learning module (Service Learning (SL) combines academic learning (learning) with a service or service that benefits civil society (service) Students learn in and about a concrete project for a real civil society partner. This is a teaching-learning approach that focuses on applying theoretical knowledge in practice, which further acquires the teaching content, making it essential that students become involved in the community and contribute to existing support needs in the social sector.)		
Referred to in LPO I (examination regulations for teaching-degree programmes)
