<b>Contents</b>		
This module offers students the opportunity to receive credit for achievements related to the Master's degree in "Museum and Ancient Cultures" that they have completed during an optional semester abroad at the Egyptian partner university, Helwan University in Cairo/Egypt, in the field of Museum Studies. This may also include courses in the field of Cultural Heritage at Helwan University.		
<b>Intended learning outcomes</b>		
After completing this module, students will be familiar with the specific methodological approaches and exemplary concrete characteristics of museum and heritage work in Egypt. They are also able to recognize the extent to which differences and similarities exist on an international level with regard to practical museum work and its theoretical-scientific foundation in Germany and Egypt. The students have the skills to work with originals on site in Egypt, as well as to get along with the conditions in Egypt (intercultural competence).
