Contents		
<p>Within the module a work placement of 4 weeks has to be completed. Work placements can be completed in all national and international museums or institutions in the cultural sector that are led according to all common and technical criteria in full-time. Under professional supervision, students become familiar with different vocational fields and working environments and collect experiences, which are relevant for their studies.</p>		
Intended learning outcomes		
<p>Students acquire practical work competences in selected areas of the museum or cultural work. Moreover, they have expanded their general as well as social competences, particularly in view of autonomous and independent action. These competences will be required when they submit their application for a work placement and the independent accomplishment of the given tasks.</p>
