## Contents

This module is designed to provide students with a theoretical and practical analysis of museum educational and medial strategies of knowledge sharing against the background of current specialist discourses of cultural education.

## Intended learning outcomes

Students are able to analyse, critically reflect and apply museum mediation strategies not only according to technical contents, but also according to museum educational and medial aspects of the museum’s work.

## Courses

- **S + Ü** (no information on SWS (weekly contact hours) and course language available)

## Method of assessment

a) presentation (approx. 30 minutes) with position paper (2 pages) with written elaboration (approx. 15 pages), weighted 1:2 or b) practical examination: project (e.g. conceptual design, unit of content to be communicated, media station), expenditure of time equivalent to expenditure of time for presentation with written elaboration
