Contents		
In the course of this module, students have to complete a work placement in a museum, exhibition or culture sector in a total of 4 weeks. Under professional supervision, students become familiar with different vocational fields and working environments and collect experiences, which are relevant for their studies.		
Intended learning outcomes		
Students acquire practical working skills in selected areas of museum, exhibition and cultural work. Moreover, they have expanded their general as well as social competences, particularly in view of autonomous and independent action. These competences will be required when they submit their application for a work placement and the independent accomplishment of the given tasks.
