Contents

Advanced and research-orientated dealing with a challenging sub-area of French, Italian or Spanish literature of the Middle Ages or the Early Modern Era.

Intended learning outcomes

Students acquire detailed knowledge of a selected sub-area of literature. They are able to select, classify academically and historically and to critically reflect academic literature regarding the selected sub-area. Students are able to work on a complex issue independently, to present it orally and produce a comprehensive academic paper as well as work out a documentation of the state of research.
