<b>Contents</b>		
Students will observe -- beyond the work placement that accompanies the studies -- lessons at cooperating educational institutions (secondary schools or grammar schools, maybe non-scholastic educational institution). The observation will be conducted via selected methods of empirical lesson research. Moreover, students test their own lesson concepts based on research of action.		
<b>Intended learning outcomes</b>		
Skills of empirical educational research, applied to issues of subject-specific didactics French/Italian/Spanish. Students have skills to implement little teaching-related research projects. Compared to the common teacher training course, the module covers consolidated teaching competence, particularly the competence to develop scientific profound and reflected teaching.
