Contents

Using appropriate scholarly methods, the student will research and write on a specific problem in literature, culture, or linguistics within the time period specified by ASPO (general academic and examination regulations). If the student is studying for a Bachelor's degree with two majors, he/she may choose an interdisciplinary topic relating to both subjects. The subject matter is to be agreed upon with the supervisor of the thesis or, in the case of the student studying two majors, with the supervisors.

Intended learning outcomes

The student is able to conduct research on a defined topic in Russian studies, adhering to the principles of good scholarly practice, and to appropriately present the results of his/her work in written form.
