Contents		
<p>This workshop gives participants the opportunity to enhance their academic reading skills. Participants expand and consolidate their skills in taking in and processing information presented in written form, skills that are essential to success in any degree subject. They are trained in efficient reading strategies and receive advice on how to read academic texts effectively. Practical exercises give participants the opportunity to put into practice the techniques they have learned and receive constructive feedback.</p>		
Intended learning outcomes		
<p>Students have acquired methods and developed personal skills that allow them to go about their studies successfully. They are able to analyse texts and manage their time efficiently. Students are able to identify relevant information and develop their own strategies for the improvement their reading skills. They are able to put into practice what they have learned and become more efficient readers. Having developed proficiency in relevant methods, students have enhanced their personal skills and are well prepared for taking on their role as active participants in the academic process.</p>
