Other prerequisites | Required level of language proficiency: B2 CEFR (To be considered to have achieved the required level of language proficiency according to the CEFR (Common European Framework of Reference for Languages), students must have successfully completed module 04-Sp-BM-SP1 or must be able to produce another relevant certificate.)

Contents
Students acquire concepts and methods from one of the following sub-areas of linguistics: phonology, morphology, syntax, semantics/lexicology, text linguistics, historical linguistics, variational linguistics or pragmatism. Application of concepts and methods from the selected sub-areas of the Spanish. Coherences between the Spanish and further Romance Languages.

Intended learning outcomes
When the module has been successfully completed, students are acquainted with detailed knowledge of a central sub-area of linguistics. They are able to apply concepts and methods of this sub-area to the description of the Spanish and are able to balance between different linguistic descriptions of a given verbal phenomenon. They are also able to summarise analogously, to classify academically and historically and to critically reflect selected academic literature regarding Spanish linguistics independently. Students are able to work on a defined issue, to present it and produce a short academic paper.
