Contents
Using appropriate scholarly methods, the candidate will research and write on a specific linguistic problem within the time period specified by ASPO (general academic and examination regulations). If the candidate is studying for a Bachelor’s degree with two majors, he/she may choose an interdisciplinary topic relating to both subjects. The subject matter is to be agreed upon with the supervisor of the thesis or, in the case of the candidate studying two majors, with the supervisors.

Intended learning outcomes
The students will be able to research and write on a specific linguistic problem, using appropriate scholarly methods, and to appropriately present their results in writing.
