Contents		
In this module the students independently work on a topic from the area of sports science or subject didactics of sports. The topic is selected in consultation with the thesis supervisor and the aim is to write a scientific thesis.		
Intended learning outcomes		
The students are able to independently examine a topic relevant to sports science and its corresponding literature. In doing so, they apply the knowledge and techniques that they acquired during the teaching degree programme. They are able to write down and present the results of their work in accordance with scientific norms whilst taking into account possible aspects of subject didactics.
