Allocation of places		
Max. 10 Duration of placement: 8 weeks (may be divided up into 2 individual placements, each placement must, however, have a minimum duration of 4 weeks). As a rule, it must be ensured that the person supervising the placement has a degree as Diplompsychologe or a Master's degree in psychology. Upon approval by the examination committee, this rule can be deviated from if it can be ensured that the placement is supervised by a person with an equivalent qualification Should the number of applications exceed the number of available places, places will be allocated as follows: Applicants who have not yet achieved any of the required ECTS credits in the respective sub-area of mandatory electives will be given preferential consideration. The remaining places, if and when any become available, will be allocated to applicants who already have achieved ECTS credits. Within these groups, places will be allocated according to the number of subject semesters. Among applicants with the same number of subject semesters, places will be allocated by lot. Should there be, within one subject, several modules with a restricted number of places, the result of the selection process for one module will also apply to all other modules.
