1 semester	graduate	--

Contents

Eight-week internship in an institution in the fields of health-related sports, recreational sports, fitness sports and/or competitive sports or in a scientific institution. The internship can be completed in Germany or abroad.

Intended learning outcomes

To gather experience with professional competencies and acquire professional knowledge in the fields of health-related sports, recreational sports, fitness sports and/or competitive sports, or in the scientific field. Acquisition of practical professional and methodological skills as well as social and personal skills during the internship. The students can practice, assess, evaluate and critically reflect practical relevant knowledge from their studies and transfer this knowledge to professional practice.
